

Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Sunday 10 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Bright start Monday, becoming cloudier later with a few showers.

This Evening and Tonight:

A fine end to the evening with long clear spells developing overnight, and just the chance of the odd shallow mist or fog patch forming later. Turning chilly in colder rural spots. Minimum temperature 5 deg C (41 deg F).

Monday:

A bright morning, but gradually turning cloudier from the north with some patchy rain or showers spreading south later. Feeling a little cooler than Sunday. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:

Rather cloudy with some patchy light rain on Tuesday. Breezier. Mainly dry on Wednesday and Thursday with some sunny spells, after any early mist or fog patches clear.
